

Boy Scout Funds Drive Set For Tuesday Start

New Prospectors Kindle Oil Interest

Hamlin buzzed with a new oil topic this week when it was announced that Warren Petroleum Company had staked a location for their Bill Matchett Number 1, which will be drilled on the old Pat Collins place south of Hamlin.

Drilling of this well to a comparable depth to that of the Jess Young failure will give lease holders with a composite picture of what production possibilities in that area are.

Pits have already been dug for this location.

Another development in this sector was the release of information that the Bridwell Oil Company had been allowed a permit to drill their Minor Alexander Number 1 north of Hamlin on the Aspermont highway. This well is being staked 400 feet from the west line and 330 feet from the south line of Section 6, Williams Survey. This would spot the production try just north of the Shell Pipe Line station and it is a 4,300 foot offset to the Moutray Moore Bryan Number 2 well which has been recently completed in the Swastika.

Rumor was circulating in Hamlin that the Velta Toler Number 1, tight hole being drilled by T-P, was being acidized in the Ellenburger and would be deepened slightly.

Lester-Duffield is moving in to drill J. P. Bingham Number 2 as a diagonal offset to the southeast to their Bingham Number 1 which first flowed and then died from the Swastika.

Paris Oil Company's Polly Jackson Number 1 near Sylvester was found to be dry in the Swastika and has been abandoned.

Texas-Pacific has moved rig to Krah Number 2-S from the Port Williams Number 9. The Krah well will be drilled to the Swastika and a larger rig will be moved to the Williams Number 9 to go to the Ellenburger. The Williams well failed to find production in the Swastika.

Actual completion of the Tucker Number 5 lived up to previous tests after acid treatment and the well is producing 14 barrels of oil hourly through 14-64 inch choke.

Atlantic Refining Company has completed their Morton Number 2 for a producer in the Swastika and is moving to their Number 3 location on the Y-6 ranch. The Number 3 location is just east of the Number 1 well which is producing.

Shira Fills Bill At Line Position for West Point

Radio auditors and readers of the sports pages have found another contributor to the fame of Hamlin as a cradle of football excellence in reports coming from West Point on successive Saturdays.

Norris Shira, who has earned the nickname of "Chuck" on the Army squad, has been playing a whale of a game at tackle for the military academy.

Coach Blaik has been high in his praise of Shira as a defensive stalwart in the West Point line and credits his tackles with solving a defensive weakness at the guard positions by their standout play. Perfance of Shira and his running mate, J. D. Kimmel, of Texarkana, has offset the weakness of inexperience at the guard positions.

Amusing note is that Blaik is employing the strategy of listing Shira at 215 pounds, whereas the Hamlin boy actually weighs in at 235.

Women should believe in free speech; they are free enough with theirs.

Safe Crackers Get Heavy Work Here

What is determined to have been a very professional visit was made by safe-crackers to Hamlin firms Monday night.

Entered were Carl Murrell Chevrolet Company, Prewit Motor Company and both businesses operated by Fred B. Moore.

Deputy Sheriff Willie Woody assisted Chief J. H. Foster in the investigations of the thefts and a meagre supply of clues resulted.

At Murrell Chevrolet a 450-pound safe was "peeled" of its outer sheath and the door was removed to gain access to the cash contained. A demonstration of the coolness with which the burglary was conducted is revealed in the fact that the Murrell strong-box was fitted with a tear gas arrangement which was released when jarred by the blows of a heavy hammer. The safe-crackers wheeled the heavy box to the work-shop of the motor company and placed it before a blower fan while they completed their work.

Drawers were removed from the safe and were taken to the Santa Fe tracks and rifled of their contents. Checks and other papers were left scattered about the tracks and only the cash contained in a money drawer was taken. This was estimated to total \$97.00 when a check was made Tuesday morning.

A smaller safe of the same construction at the Prewit Motor Company next received the attention of the nocturnal visitors and it is believed that the thieves anticipated another charge of tear gas from this source. The safe was loaded into a wheelbarrow on the premises and was taken to the rear of the Murrell properties to provide better ventilation while the work of opening the safe was carried out. The same general procedure was employed in gaining access. A full audit of cash on hand had not been completed by Gene Prewit, operator of the firm, and estimated loss totalled \$301. Checks and other papers were not molested at the Prewit firm and were left at the site where the safe-cracking was done.

No loss resulted from an entry into the F. B. Moore Elevator Co. where the thieves broke a glass in the door to force entrance. At the F. B. Moore Seed and Feed store, a door was forced and the marauders removed a filing cabinet to the site of Gulf bulk storage tanks and forced the locked cabinet open. Total "take" from this entry was just over four dollars which represented nickels from the Coca-Cola box. Lonnie Kidd, manager of the feed store revealed that this was the third robbery of that firm within the past six months and indications were that the same individuals had attempted each robbery. Forcing of the filing cabinet led to the belief that the thieves were basing their search on past experience.

No fingerprints were found on any items handled by the thieves, according to Deputy Woody, which showed evidence that gloves had been worn. Casts of footprints in the vicinity of the Prewit safe were taken in an effort at identification.

Football Theme Leads To Store Decoration

As the fervor of football interest heightens Jim Howard King followed the trend this week with a decorative theme to coincide.

King employed an ingenious display on his floor and windows at his appliance establishment to accent the interest of his trade in the fall classics.

No one objects to how much you say if you say it in a few words.

Boy Scout activities in Hamlin, after a two year free ride as a member of the Chisholm Trails Council, are to be conducted on a full scale basis this year and a campaign for funds for the development of the work has been set for Tuesday, October 24.

Holly Toler has been pressed into service as Community Director of the drive and has been in repeated conferences with Marvin Berry, Stamford field executive.

Conferences thus held have led to the appointment of the following chairman of individual departments of the drive:

Initial Gifts Chairman, Joe Culbertson.

Publicity Chairman, M. Whitehead.

Community Director Chairman, Holly Toler.

Prospect List Chairman, B. M. Brundage.

Solicitation Chairman, Eddie Jay.

Arrangements Chairman, W. C. Russell.

Audit Chairman, C. E. Angel.

The funds drive will be instituted with a kick-off breakfast Tuesday morning at 7:00 at the High School cafeteria.

Chairmen and group captains will attend the breakfast and will go from there into their dawn to dusk campaign for funds.

Workers groups will be split up for the day of work as follows:

Henry Allbritton, Captain; Ted Armstrong, Clarence Bailey, Byron Bell, T. C. Blankenship and Pete Bond.

Harold Bonner, Captain; L. J. Cunningham, T. E. Dennis, W. H. Eynnen, Jr., John D. Ferguson and B. B. Frederick.

Art Carmichael, Captain; Travis Hash, Alvin Hudson, Ray Huling, J. D. Hymer and Eddie Jay.

Clyde Angel, Captain; B. G. Bunkley, Haskell Carter, D. W. Cowan, Onis Crawford and Cliff Crowley.

Weldon Carlton, John F. Green, Jr., C. M. Gudgey, W. H. Hallmark, Jack Hames and Earl Hanning.

Stan Carmichael, Captain; Arnold Johnson, M. S. Johnson, Weldon Johnson, O. T. Kelly and Lonnie Kidd.

Joe Culbertson, Captain; H. E. Lawson, Bill Maddox, George Malouf, Alton Mayfield and B. W. Niedeck.

Charles Gardner, Captain; Earl Smith, A. Spencer, Virgil Steel, V. T. Stringer and L. M. Southerland.

J. S. Inzer, Captain; John C. Bryant; Clyde Carroll, Boots Crawford, John Edwards and Elmer Feagan, Jr.

Edgar Duncan, Captain; Kenneth Parker, O. D. Roland, T. E. Russell, Cecil Sellers, and Delma Shelburne.

Weldon Griggs, Captain; J. B. Terrell, Jr., J. C. Turner, Jr., Tom Vaughan, Carl Young and Clyde Alexander.

Fred B. Moore, Jr., Captain; C. W. Gold, Grady Smith, Noel Weaver, La Foy Patterson and Jack Russell.

Archie Cassie, Captain; George Poe, Marvin Carlton, J. N. Burditt, Joe League and J. Kent Jones.

Chisholm Trails Council is composed of six and one-half counties which include Callahan, Coleman, South Runtells, Taylor, Jones, Haskell and Shackelford.

Hamlin has three units of boys in Scout work which embraces the Cub Pack under W. C. Griggs, the Scout Troop under Orville Kelly and the Explorer Post under Pat Marlow.

Success of the fund drive is assured with the realization of the outstanding work that Scouting accomplishes for the community boys and the lack of financial assistance to the progress which has been made.

Plaster of Paris was originally manufactured near Paris, France.

Sylvester Co-op Gin Destroyed By Fire Monday Afternoon, Local Men Assist

The Sylvester Co-op Gin was almost totally destroyed by fire Tuesday afternoon. Fire broke out at about four o'clock near a cotton press in the gin.

The gin was valued at between \$50,000 and \$60,000 and was only partially covered by insurance. Only a portion of a seed house was saved in the conflagration.

Firemen were summoned from Hamlin, Rotan and Snyder and the Hamlin equipment remained at the blaze until seven o'clock.

In the time required for fighting equipment to arrive from the neighboring towns, the blaze had gotten beyond control of the gin employees who were utilizing a water supply from a 2,000-gallon tank on the gin premises.

The yard of the gin was full of cotton-filled trucks when the fire was discovered, but they were removed from the premises before flames reached them.

The gin was a single battery unit and had reached production of 600 bales on Tuesday. Capacity of the gin was estimated at 80 bales every 24 hours at the time of its destruction.

Manager L. L. Murray was in Sweetwater at the time fire broke out but arrived on the site during the battle to save the gin. Murray was conferring with directors of the co-op and doubt was expressed that the gin would be rebuilt. Lack of a city water system in Sylvester is a contributing factor in the discussion.

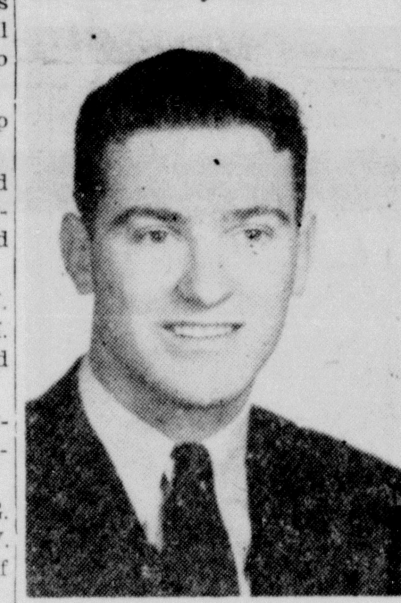

The co-op gin was first established in 1927 by the Farm Bureau and was later purchased by the Texas Cotton Growers, from whom the co-op bought it in 1934.

Directors are Floyd McCain, as president; L. C. Brown, vice president; T. D. Whitten, secretary; treasurer and R. E. Kidd and A. J. Griffin.

Raymond Gregory Promoted at Bank

Raymond T. Gregory, son of Mr. and Mrs. T. C. Gregory of Hamlin, was recently appointed assistant vice president of the Grand Prairie State Bank at Grand Prairie.

Raymond was previously assistant cashier and has worked for the bank four years.

RAYMOND T. GREGORY

Appointment was made following action of the board of directors in September.

He worked in the North American Aircraft Plant in Grand Prairie before serving in the U. S. Navy.

Gregory is married and resides at 1124 Pine Street, Grand Prairie.

Worry kills more people than work, because more people worry than work.

The way some women shop, you'd think they were taking inventory of the store.

Cotton Production Third of Year Ago

A census report furnished by Bowen Pope, Hamlin special agent of the department of commerce, reveals that cotton production in the month of September for Jones County would total 3,211 bales.

This total when compared to the 1949 total for a like period of 9,298 bales would lead to a calculation of one-third of the crop of last year for Jones County.

More suitable weather which has held in October has led to a more optimistic view of cotton production in the county and a great many farmers have reported that their yield will approach a half bale to the acre.

Paramount problem of the farmer at this stage is the child labor law which has caused such a commotion in the cotton growing section of West Texas.

Many growers are unable to obtain boll pullers to harvest the crop that they have made and no relief is in sight for this condition.

Many schools throughout the section have closed for the pulling season in order to provide the holiday season for which the law allows. Status of Hamlin as an accredited school and provisions of the Gilmer-Aiken law have led the Hamlin school authorities to forego this action.

PTA PLAY COMING

The play "Hansel and Gretel" will be presented at the Hamlin High School Auditorium next Friday, October 27 at 1:30 p. m.

The play will be sponsored by the Hamlin Parent-Teacher Association and will include an all-star cast. Proceeds will go to the P-T-A.

Roscoe Plowboys Engage Pied Pipers On Local Gridiron Tonight, Battle Due

Hamlin will be host to the Plowboys of Roscoe in a district 6-A football game tonight that promises to exhibit fireworks from the opening kickoff.

Hamlin plowboys still quake at the manner in which Roscoe contested the Pied Pipers last year to soundly outplay Hamlin in all departments except scoring. Only a pair of extremely fortunate pass completions and Roscoe fumbles brought victory to the locals.

Visitors to Roscoe throughout the winter and summer that followed have been impressed with the spirit with which the Roscoe fans have been viewing the return engagement to come. The opinion is that Roscoe will be primed for this game more than any other in which they will engage.

Little basis for comparison is available regarding the strength of the teams. Roscoe's narrow 6-0 victory over Roby is discounted by Coaches Burditt and Townsend as no true gauge of the clubs. The Plowboys soundly whipped a potent Merkel Badger club last week and that is measured as a

worthy achievement after Merkel trounced Anson.

The Pipers have been working strenuously during the week in an effort to eliminate defensive and offensive weaknesses which developed in the Roby game. It is known that the Piper line will have to play better ball to hold the Plowboys from scoring often.

The Pipers came out of the Roby encounter with a minimum of injuries. One particularly noticeable feature of the Roby game was the fact that neither eleven had to remove a man from the gridiron because of injuries.

Polish was being added to the pass defense of the local squad in anticipation of a strong attack from that route.

Dope obtained on the Plowboys would indicate that Pointer at the quarterback position is a very fine passer and Burnett and Nix are his ace receivers.

Hunter, Roscoe right guard, is a strong candidate for honors at that position and promises to be a thorn in the side of Piper ball carriers.

Pipers Win Over An Inspired Roby

Sugar Green and Don Gregory chose last Friday night to come alive with a vengeance in their running for the Pied Pipers to lead the Hamlin football team to a 32-13 victory over the Roby Lions.

Roby won the toss and chose to receive the pigskin to start the game which had been dedicated by the Roby Lions to their departing coach. Stapler kicked to the Roby two-yard line and the ball was returned to the 20-yard line. Roby was able to chalk up one first down in the scrimmage that followed before Jerry Carr pounced on a fumble on the Roby 35. Don Gregory immediately gave a preview of what was to come with a dash across the goal stripe for a Piper touchdown. Tri-Captain W. T. Stapler boomed the ball through the uprights for the point after touchdown.

Stapler again booted the ball on the kickoff to the Roby six-yard line and it was returned to the Roby 26. Here Robert Fletcher, in at defensive line-backer, hawked a fumble for a Hamlin recovery and again Gregory started his march. Gregory took the pigskin on successive carries to the two-yard line before the Roby club massed to halt him. Quarterback Billy Sutherland then executed a sneak that added another tally to the Pied Pipers. Stapler then booted the ball wide of the crossbar for a conversion failure.

This provided Hamlin with a 13-0 lead early in the first quarter and brought Stapler his third kickoff of the period. The ball was returned to the Roby 21 from the six-yard line and Roby succeeded in tallying another first down before Sutherland, Hub Hopper and Sugar Green racked up their running game on successive tackles to force a punt. Roby kicked to Green on the Hamlin 20-yard line where he was nailed in a fine tackle. On the second play from scrimmage, Hamlin lost the ball on a fumble and Roby grabbed their opportunity to score. Four plays barely netted a first down on the Hamlin seven yard line and the Pipers had apparently braced to hold the Lions at this point until Ashley slipped into the clear to grab a pass in the end zone. Don Rowland dashed in to block the kick for conversion.

Roby kicked off to Green and he returned 20 from his own 16.

Sugar again toted the leather for a nine-yard gain as the torrid first quarter ended. A 15-yard penalty advanced the ball to the Roby 28 and Sugar dashed for another first down on the Roby 27. Two plays later, Billy Sutherland heaved a 15-yard pass to Tri-Captain Asa Goodgame to place the ball on the Roby three-yard marker. Here the Lions called on reserve spirit and successfully nailed Hamlin backs for losses that threw them back to the 35 where the ball went over. Penalties and a determined Piper stand forced Roby to kick. Green carried for one first down before Don Rowland got off a short punt to the Roby 28. This was the first Hamlin punt of the game. A pass to Ashley almost netted a TD for the Lions but Don Gregory nailed his man on the 28 to avert the score from this play. Forty-three yards were netted on the pass and run. Don Rowland came through with a nice tackle to break up the Roby running game but they fell back on passes to send Ashley across with another marker. Anxiety of the fans increased as the Lions tied the score at this point and short time was left in the first half.

Asa Goodgame took a hand-off no reverse in handling Roby's kick-off and returned to the Piper 30. Here Sugar Green began to run and chalked up successive first downs to place the oval on Roby's 42. Goodgame advanced the leather to the 36 and then Sutherland faded back and heaved a beauty to Don Rowland for the prettiest pass reception of the night. Rowland took the ball on the seven and eluded Roby defenders to cross the pay-off stripe. Attempt at conversion of point was a failure when a bad pass from center made it impossible to place the ball down.

A determined bid for a marker by Roby was stopped by a savage tackle by Gregory and a pass interception by Green which gave Hamlin the ball as the half ended.

To start the second half, Green fumbled the kickoff and had to retrieve from behind his own goal line from where he advanced to the 24. Gregory and Green combined to advance to the 38 but here the attack bogged down and Robyland punted to the Roby 46. Here Hopper and Goodgame stepped in to smear the Roby attack and Sutherland blocked the Roby punt. Asa Goodgame contributed

six yards in the Hamlin advance and then Gregory dashed through to go 33 yards for a touchdown. Again Stapler failed in converting the point. Hamlin's line was leaking badly with Stapler out of there at the kicking spot. One of the peculiarities of football is the fact that Jigger Rowland was blocking well at Stapler's spot in the line but the balance of the forward wall failed to hold the rushing Lions.

Stapler weakened just a little on the ensuing kickoff and only got the ball to the Roby 10 from where it was returned to the 32. Here Roby began to surge and they racked up three successive first downs which advanced the pigskin to the Hamlin 21 before Goodgame and Gregory stepped in to halt proceedings on successive tackles that forced pass attempts. Roby was unable to register a completion and the ball went over to Hamlin on their own 21. Sutherland and Rowland collaborated for a 15-yard pass completion which brought a first down on the Hamlin 37. Here a mixture of gains and penalties kept the ball in the possession of Hamlin until late in the fourth quarter. The ball finally went over to Roby on their own 23 and W. T. Stapler chimed in with a vicious tackle that forced Roby to quick-kick in a surprise move.

At this stage, Coach Burditt began the insertion of substitutes in wholesale lots and Milton Butler, Hamlin's surprise backfield performer, began to surge. Butler sandwiched gains with a 20-yard gain by Loyce Hargrove to take the ball to the Roby 30. It was at this point that Butler decided that play had gone far enough and dashed through on an off-tackle thrust for 30 yards and a tally for the Pipers. Don Rowland fired this one through for a point conversion.

Joe Don Hymer got off a low kick which was taken on the Roby 20 and returned to the Roby 40 before the ball carrier was nailed.

Two plays later Hymer nailed James Morgan on the Hamlin 35 as he was about to get away for a Roby touchdown. Play ended shortly thereafter.

Etheridge, Morgan and Pyburn did the ball-lugging for Roby and Nail was a tower of strength in the line.

Thief Causes Stir As Prowler Fears Revive

Recurrence of a siege of house pilferings is anticipated by Hamlin residents with the report that the home of Art Newcomb was entered Tuesday night by a night-time prowler.

Newcomb heard the prowler in his bedroom and lay quietly until he was thoroughly awake before turning on the light.

The light was of a fluorescent type and flickered before becoming brilliant enough to see clearly and the thief never arose from a crouching position at the foot of Newcomb's bed. He fled in the same crouch before he could be grabbed by the astonished householder.

It is understood that Newcomb got a profile view of the man as he fled which would permit him to identify the intruder.

Citizens are apprehensive that this visit may be the forerunner of another series of thefts similar to those of a month past.

PLAYS FOR ACC.

Seth Adams of Hamlin turned in a good game for Abilene Christian College against East Texas at Stamford last Saturday night. He plays tackle and the Wildcats won 19-0. He is a sophomore squadman.

Locals To Attend VFW District Meet

Semi-annual meeting of District No. 8 of the Department of Texas, Veterans of Foreign Wars, will be held in Stamford Saturday and Sunday, with the Stamford V. F. W. Post, as host.

J. T. Rutherford, Odessa and Austin, commander of the Department of Texas, will attend the meeting. Juston Morrow, Rotan, commander of the 8th District, largest in the state, will also attend.

Current program of both the national and state V. F. W. for the current fiscal year, with special emphasis being placed by the V. F. W.

On state-wide basis the Department of Texas is sponsoring a fund-raising campaign for the Gonzales Warm Springs Foundation, state's own center for the treatment of victims of polio and other crippling diseases.

District 8 is made up of posts located in: Abilene, Merkel, Colorado City, Sweetwater, Snyder, Rotan, Anson, Breckenridge, Brownwood, Comanche, Eastland, Cisco, Clyde, Haskell, Rising Star, Hamlin and Stamford.

Those to attend from Hamlin are: J. E. Townley, L. A. Joiner

Hamlin Rotarians Get Message from Officer

Hamlin's Rotary Club met Wednesday noon at the Hawkins Drive-Inn for their regular noon luncheon and heard a speech by District Governor J. P. Tarry of Wichita Falls.

Tarry talked to the group on "What Rotary Means to Me."

Ed Stewart Sr. and Ed Stewart Jr. both of Abilene were visiting Rotarians. Ted E. Armstrong Jr. was a guest of his father, Ted Armstrong. John C. Bryant and Don Gould were guests of Carl Murrell. Wray Clark of Dallas was a guest of J. E. Paterson. Don Kennedy and Martin McCain of Houston were guests of Tate May.

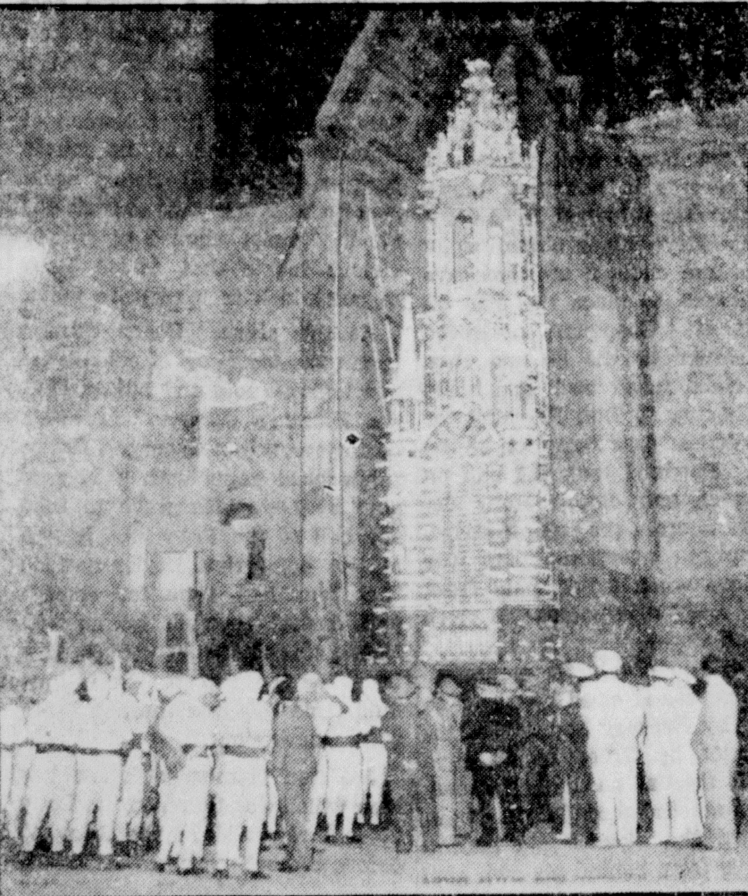

Irvin W. Smith, Thomas D. Smith, J. D. Isbell, John D. Hymer, C. W. Gold, Harry Wilginson, Bill Harbert, F. N. Shave, A. E. Durkee, L. V. Ely, Cleo Perryman, Lowell Cure, John Hudson, C. Packwood, T. J. Brady, Frankie Hall, Guyon M. Davis, Robert B. Jackson, H. V. Kelly, B. F. Daiby, James M. Millhorn, Virgil Blackwell, Pat Miller, Van Huling, Clyde Riley, Luther J. Haight, Kenneth Decker, R. A. Redus, Charles Durham and Doc Neal.

MAC SAYS, "THANKS" — On the beach at Inchon, where Marines made their historic landing to launch the UN's first big offensive in South Korea, Gen. Douglas MacArthur personally congratulated Marine Maj.-Gen. Oliver P. Smith, saying, "A great day. Thanks a lot. Keep going." The Marines did, capturing Seoul, the Red-held South Korean capital, only 10 days later.

NINE-STORY STORY—It was just like an episode from "The Perils of Pauline." The heroine was four-year-old Karen Weiler, who fell 100 feet from her ninth-floor apartment window. While Karen was rushed to the hospital, her distraught beau, Brian Cundelan, paced the sidewalk with his colleagues. The happy ending came when doctors declared Karen miraculously uninjured. Karen and Brian clinched in the final scene and Brian's cowboy pal, at left, provided extra atmosphere by eating popcorn throughout the drama.

COLORFUL PAGEENTRY—White-costumed men of Viterbo, Italy, prepare to carry the "macchina," a church-like structure containing a statue of St. Rosa and adorned with hundreds of lights, on the annual mile-long procession through the town. The saint has been honored each year since 1664 when Viterbo escaped a severe epidemic, presumably through her intercession.

RED, WHITE AND BLUE BUGS—Following the policy of the Big Lie, East German Government officials have distributed pamphlets declaring that American planes are dropping potato bugs to sabotage East German crops. The cover of the pamphlet (above) bears red, white, and blue potato bugs. Beneath the bugs is the word for Americans, "Ami," combined with "Kafer," the German word for potato bugs.

URANI-YUM, YUM—A fearless Texan, ten-month-old Dyan Schenberg, of Houston, discovered a strange looking something in a nut bowl. She swallowed it and grew increasingly uncomfortable. Doctors rushed her to a hospital and pumped out her stomach. Their report, delivered to a startled Mr. and Mrs. Henry Schenberg, diagnosed the tasty tidbit as a nugget of uranium ore.

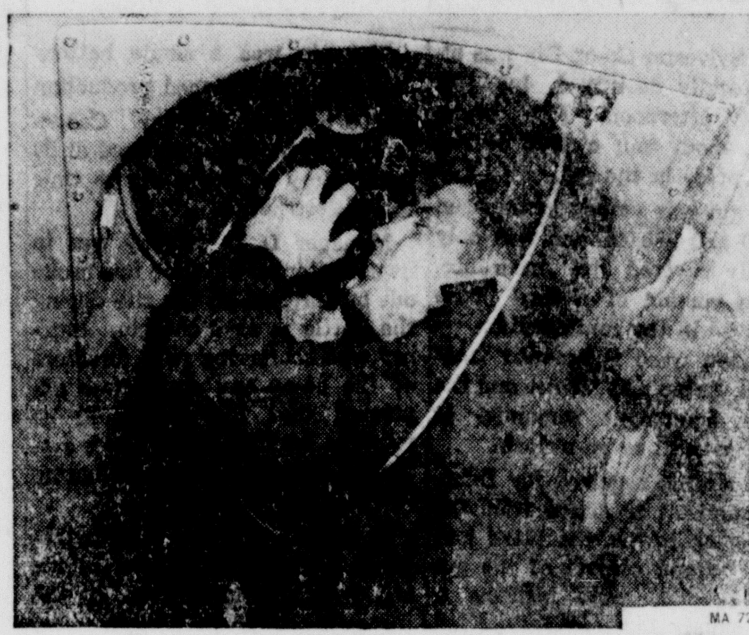

SEW WHAT?—Shapely Bunny Yaeger models a home-made bathing suit. Admitting that the seant suit required very little sewing on her part, Bunny says she'll wear the costume at the United Cerebral Palsy Association's benefit fashion show.

TOO TALL—Former NYU basketball star Adolph Schayes, the 6-foot, 8-inch center of the Syracuse pro team, was rejected by the Army when the doctor at right confirmed his height. Schayes, who was examined in New York, towers one inch over the maximum admissible height.

GOOSE STILL HONKS—When Thomas Bowes bought an estate in Dundee, Ill., he received an unexpected dividend: a 1918 Willis-St. Clair "Grey Goose" roadster. Shown with his wife and two sons, Bowes pumped up the car's tires, boosted the battery and, without bothering to change the auto's original gasoline and oil, stepped on the starter. With a honk of delight, the "Grey Goose" rolled out of the garage for the first time in 22 years.

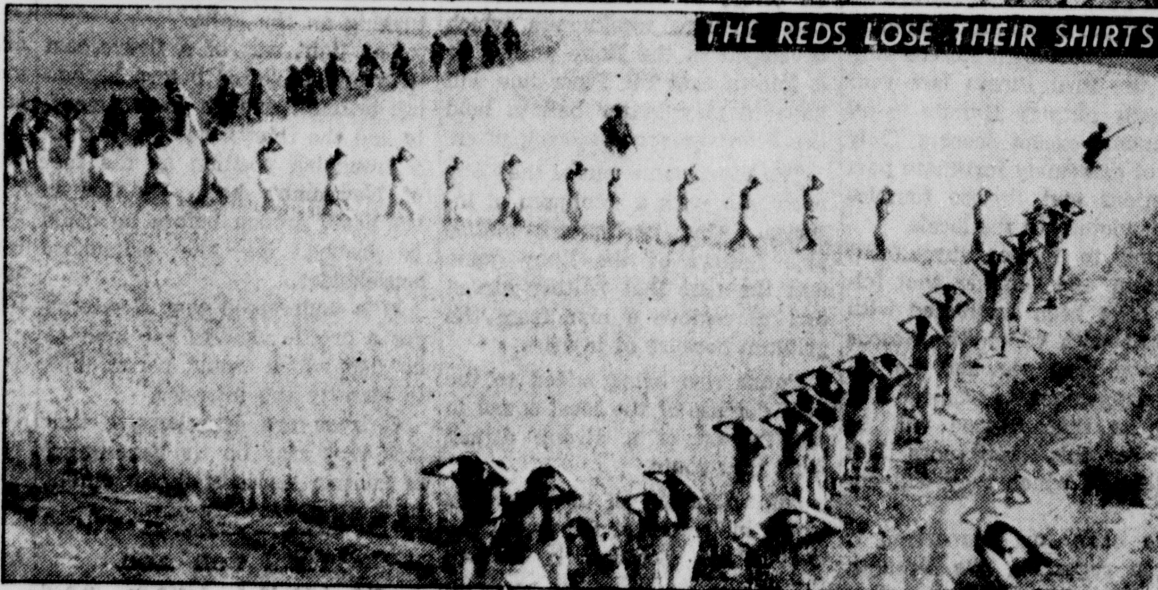

It's a bubble octant. This United States Air Force student at Ellington Air Force Base, Texas, is taking a peek through the new device as part of his navigational training in the AF's new Consolidated T-29 Navigation Trainer.

MEDAL OF HONOR CANDIDATE—Lt. James A. Harris of Boaz, Ala., is credited with participating in one of the most heroic and spectacular actions yet to be reported in the Korean war. The tall and lanky lieutenant led a patrol of five men into enemy territory, knocking out 10 machine guns and killing 40 North Koreans. Among the G.I.'s, his voluntary action is expected to earn high decorations for the patrol members and may win Harris the coveted Congressional Medal of Honor.

PIG SWIG—"Snookie," a six-week-old porcine aristocrat, takes a nip from his milk bottle to keep in trim for the Los Angeles County Fair at Pomona, Calif. Doing the honors as nursemaid is pretty JoAnn Scott.

OPEN SEASON ON NORTH KOREANS—The big game hunt is on in South Korea. In their triumphant push to the 38th parallel, UN forces bypassed countless pockets of Red troops who must be taken dead or alive. At top, troops of the 24th Division start out on a search for quarry. At bottom, they return with 44 prisoners, a bountiful day's bag. Stripped to the waist, the prisoners are marched single-file with their hands clasped on their heads. The hunt has ended for them.

Entered at the Post Office at Hamlin, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be corrected, gladly and promptly, upon being brought to the attention of the management.

FAN MAIL FOR FORD—Whitey Ford, the 21-year-old southpaw who came out of the minors in mid-season to pitch the Yankees to the pennant trail, leads through a small mountain of fan mail at Yankee Stadium. The rookie sensation of the year, Ford won his first eight starts as a major league hurler.

QUEEN OF 'KRAUT—Glamorous 16-year-old Lola Mae Duitsman was awarded a coveted but not so glamorous title by the people of Forrester, Ill., who named her their Queen of Sauerkraut. Lola will reign over a festival to be climaxed with a meal consisting of three tons of sauerkraut and a ton of wieners.

Lois Glass Circle Has Tuesday Meeting

Lois Glass Circle of the Hamlin First Baptist Church met Tuesday in the home of Mrs. LaFoy Patterson.

Meeting was opened with a prayer by Mrs. A. Spencer.

A short business session followed with Mrs. Cecil Sellers in charge.

Mrs. W. Wallace was elected to Community Missions committee.

The Royal Service program was in charge of Mrs. Cecil Sellers.

Refreshments of sandwiches, iced tea and cookies were served to attendants.

Those attending were: Mmes. I. R. Huchingson, Jimmy Irwin, Cecil Sellers, Edgar Duncan, Sigmon Stovall, Clyde Angel, Bill Maddox, A. Spencer, B. O. Bell, Wilson Brannon and the hostess.

W. B. Mayo Marries Birdie Thrash, Rotan

W. B. Mayo of McCaulley and Mrs. Birdie Thrash of Rotan were married Sunday, October 1, at the McCaulley Baptist Church.

Rev. L. R. Stuckey, pastor, read the ceremony in the Baptist parsonage.

The only attendants were: her children, Mr. and Mrs. Rufus Thrash, of Loraine.

The couple will live in McCaulley.

Members of the Greek Orthodox Church do not celebrate Christmas on December 25.

KITCHEN MEMO
BY JEAN CLARKE

No matter how sweet a tooth you have, once in a while your taste buds appreciate tartness. Cranberries are tart but here we supply them with pineapple for a Cranberry Pineapple Pie. The amount of sugar added isn't enough to make the filling sweet. Combine ½ cup sugar, 2 tbsps. flour, ¼ tsp. salt. Add 1 1-lb. can whole cranberry sauce and 1 9-oz. can (1 cup) crushed pineapple. Mix well. Pour into pastry-lined pie plate, dot with 1 tsp. butter or margarine. Cover with remaining pastry and don't forget to slit the pastry top. Bake in a hot oven (425° F.) for 30 mins. Yield: 1 9-inch pie.

Such laundry as towels, corduroys, bedspreads that don't need ironing when they're dried in the gas dryer, shouldn't be left in the laundry basket to wrinkle. Fold them and put them away as soon as you take them out of the dryer.

Beets won't lose their gay red if the long taproot leaves and an inch or two of stem are left on.

Recently approved by the American Gas Association's Testing Laboratories are new gas furnaces which may be installed in such confined spaces as closets—especially convenient for the new basement-less homes.

Pickle-making? Follow the Hawaiians' lead and add curry to sharpen the flavor. A pint jar takes about 1-1½ tsp. curry powder.

Bread toasted under the broiler has a certain crisp taste that's delicious. Preheat broiler about 3 minutes, put bread on broiler pan about three inches from flame.

Too high a flame under frying fish—and any other fried food will make it stick to the pan. Turn down the flame to prevent sticking.

Pictures can be taken of mirrors.

Hyacinths Admirably Suited for Indoor Growth And Subsequent Outdoor Planting Says Report

(From a feature by Associated Bulb Growers of Holland, printed in the interest of Herald readers herewith.)

Sweetest flower of spring is the Dutch hyacinth which fills the garden with enchanting fragrance. The massive spikes of bells look prim and neat, whether planted in solid beds or set in groups in the garden.

One need not wait until spring, however, to have hyacinths in bloom. They're easily forced indoors in winter. Big, top quality bulbs are used for window flowering. The colors are bright and cheerful, too, such as peppermint candy red, lively pink like cake frosting, crisp clear white and light to dark tones of lavender blue.

There are two popular ways to force hyacinths indoors. Some people find it best to plant bulbs in soil in pots, either one bulb to a small pot or several of one color in a large pot. Potted bulbs have to be stored in a cold, dark place for two months or so until the pot is full of white roots before bringing the pot of bulbs to a light window indoors for flowering.

It's more fun to force hyacinths in hyacinth glasses, however, for then one can watch both the tops and roots grow and develop, week by week. By starting bulbs every two weeks, one can enjoy hyacinth blooms from New Year's Day to Spring.

To get a start, select a plump, firm, large size hyacinth bulb, which has been specially grown for indoor forcing. Clean the bottom of the bulb by brushing lightly to remove any soil, dead roots and dry, loose skins. The bulb might spoil if this material is left on.

Hyacinth glasses are made especially for bulb forcing. The top is shaped like a cup and the bottom of the vase is wide and flaring to hold the roots.

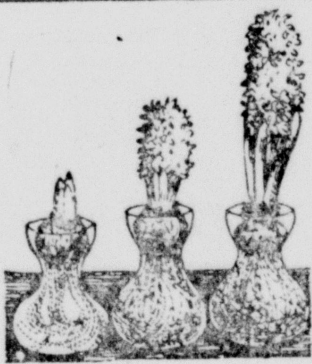

Fill the bottom of the vase with enough water to bring it nearly to the base of the bulb, which nestles in the top of the glass. Be sure there is air space

between the bottom of the bulb and the water. An eighth-inch clearance will do.

Each bulb needs an eight week rooting period in a cool, dark place before it is ready for forcing. Here's where many people make a mistake. They're impatient to get flowers too soon, or they keep the bulbs too warm. Any place away from heat and frost, such as a preserve closet or a cold corner of the basement will do. Avoid damp storage places which will start blue mold on the bulb. Cover the bulb with a basket or box whenever there is too much light.

During the rooting time, inspect the bulbs every two weeks or so. Add water only when necessary to bring the level up close to the base of the bulb.

Soon, white roots will start to reach for the bottom of the vase and stubby green leaves will push

Stages in the development of a Hyacinth grown in water.

up from the bulb. But the cool storage period must continue until the roots are coiling around the bottom of the vase, the leaves are over four inches long, and the bud cluster about three inches high.

By this time, the tightly packed buds have pushed up through the leaves. The time has come to bring the bulb to a light window.

Even now, don't rush the bulbs into bloom. Choose a cool north window, at least at first, because too quick a change into a warm sunny window will ruin the flowers.

A town suit of cotton corduroy is a must in the wardrobe of both school girl and career girl this fall. A new cotton corduroy, sheer and soft like chamois cloth, is used by Stephanie Koret of California for this all-purpose corduroy suit. Its style details include a wrist-length jacket with belted back and slim-flattering skirt, according to National Cotton Council fashionists.

So called "closet dramas" are those designed to be read, but not acted.

Within a day or two in the light the pale yellow leaves and buds will turn rich green. Then as the flower stem stretches, the buds take on their true color. Layer by layer the buds open from bottom to top of spike. In a cool window the fragrant bells will last several weeks.

Over 2,000,000 truck users can't be wrong with

CHEVROLET and VALVE-IN-HEAD!

MORE HORSEPOWER AT THE CLUTCH

Certified ratings prove Chevrolet heavy-duty trucks with Valve-in-Head Loadmaster engine deliver more net horsepower than those of the principal standard equipped conventional trucks in their class, 13,000 to 16,000 lbs. G.V.W.*

GREATER ECONOMY

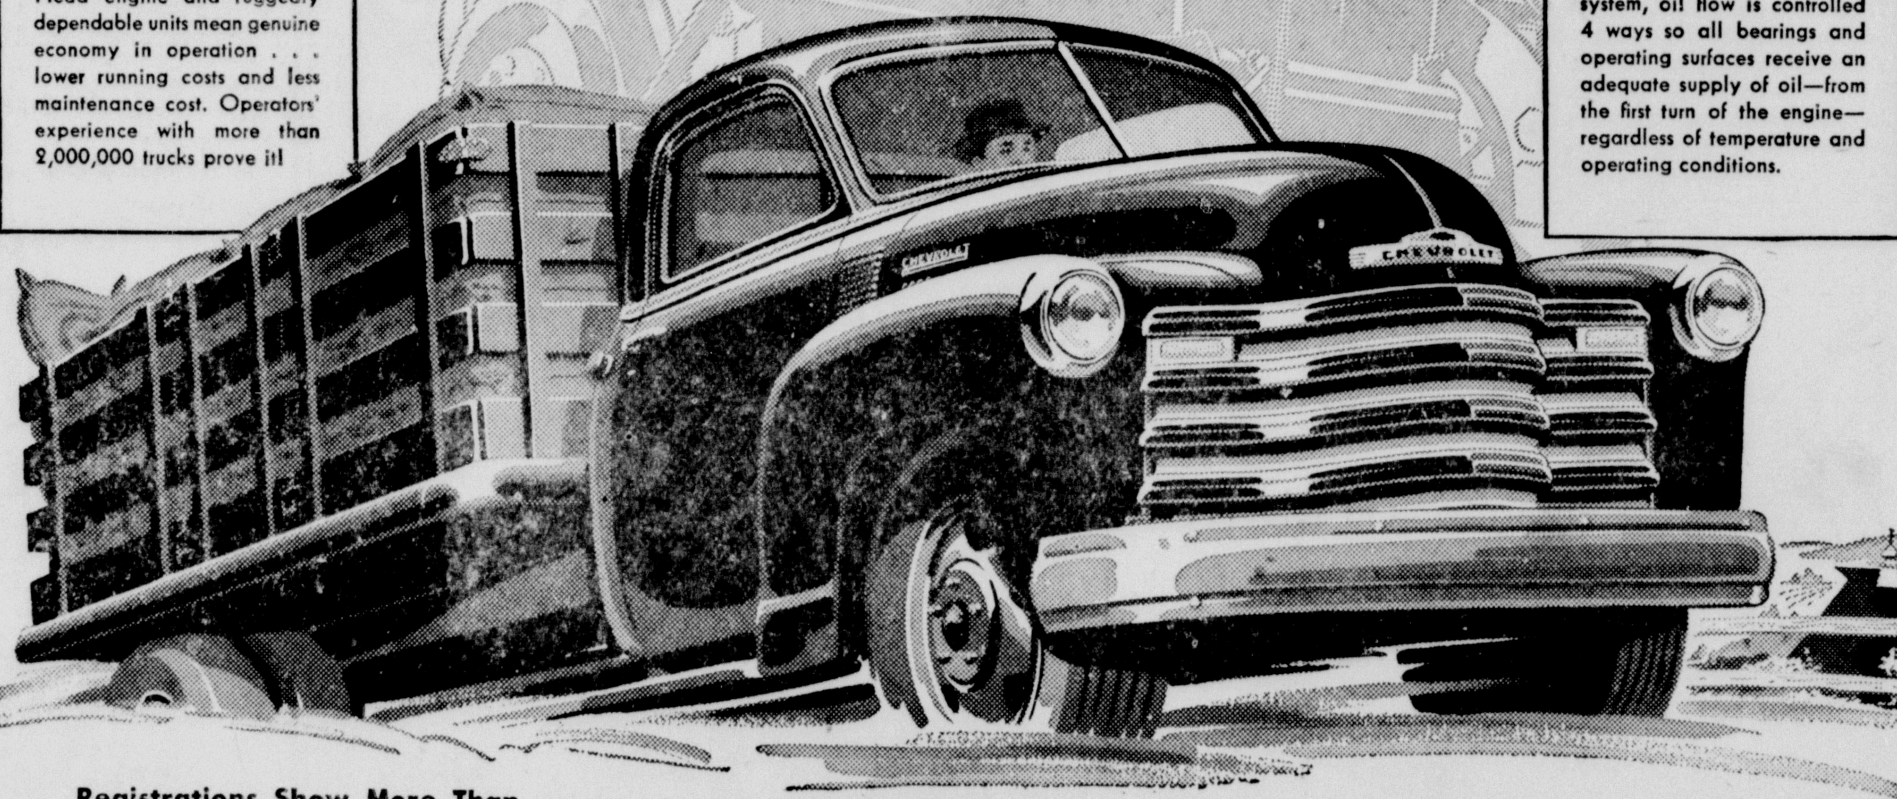

Chevrolet's great Valve-in-Head engine and ruggedly dependable units mean genuine economy in operation . . . lower running costs and less maintenance cost. Operators' experience with more than 2,000,000 trucks prove it!

BLUE-FLAME COMBUSTION

Chevrolet's Valve-in-Head engine design gets more power out of every drop of gasoline. High efficiency combustion chambers, specially shaped for maximum fuel economy, burn fuel smoothly, evenly with "blue-flame combustion."

TOP EFFICIENCY WITH 4-WAY LUBRICATION

With Chevrolet's lubrication system, oil flow is controlled 4 ways so all bearings and operating surfaces receive an adequate supply of oil—from the first turn of the engine—regardless of temperature and operating conditions.

Registrations Show More Than 2,000,000 Chevrolet Trucks Now on the Road . . . More Than Any Other Make!

Today over 2,000,000 truck operators have the world's most popular engine in the world's most popular truck. For the last eight consecutive truck production years, Chevrolet trucks have led in sales . . . are far ahead this year. Come in—let us give you the facts.

Two great Valve-in-Head Engines • Power-Jet Carburetor • Diaphragm Spring Clutch • Synchro-Mesh Transmissions • Hypoid Rear Axles • Double-Articulated Brakes • Wide-Base Wheels • Advance-Design Styling • Ball-Type Steering • Unit-Design Bodies.

Norma Rawson Wed in Saturday Night Rites To Leroy Rose at Dick Maberry Home Here

Norma Rawson became the bride of Leroy Rose in a candle-light ceremony Saturday at 8:00 p. m. in the home of Mr. and Mrs. Dick Maberry, aunt and uncle of the bride, 126 NW Avenue A.

Bride is the daughter of Mr. and Mrs. Leroy Rawson of Ogden, Utah.

Groom is the son of Mr. and Mrs. J. A. Rose of Hamlin. Mrs. Willard Maberry sang "Oh Promise Me" and "Because", accompanied on the piano by Miss Janet Bonner.

Ceremony was read by Lee E. Rawling, minister of the Hamlin Church of Christ.

Dixie Maberry was maid of honor, cousin of the bride and J. C. Rose, brother of the groom, was best man.

Ushers were Lloyd Marr and J. C. Rose.

The bride was given in marriage by her uncle, Dick Maberry. She wore a beige accoridian pleated dress with matching brown accessories. She carried

yellow and bronze mums on a white Bible.

The couple stood under an arch of bronze and yellow dailahs.

Rose is a graduate of the Hamlin High School.

Mrs. Rose is a graduate of Weber High School of Ogden, Utah and attended the Weber Junior College.

Serving in the house party were: Mrs. Thomas Marr, Mrs. Owen Watson and Mrs. Luther Marr. Only members of the family and close friends attended.

The couple will reside at 3122 SW Avenue C in Hamlin.

Mrs. Etta Stevenson Is Hostess to David Circle

Nannie David Circle of the Hamlin First Baptist Church met Monday afternoon in the home of Mrs. Etta Stephenson.

Mrs. A. R. Posey brought the devotional.

Program entitled "Behind the Iron Curtain" taken from the Royal Service Book, was given by Mrs. Tate May and Mrs. Jimmy Irwin.

Members present were: Mmes. D. M. Harris, Joe Dutton, Ray Davis, King, Sallie Goedeke, May Posey, Stephenson and Irwin.

Mr. and Mrs. W. V. Stephenson and sons, Bill and Bob, of Blackwell were Sunday and Monday visitors in the home of Mr. Stephenson's mother, Mrs. Etta Stephenson of Hamlin.

GOOD HEALTH

Answer to Question No. 1:

1. It isn't one nerve but several, each of which starts from the spinal cord, joins its fellows from other vertebrae and proceeds down the back of the leg. Sometimes an operation is necessary for cure of sciatica. Your doctor can determine the cause and then recommend treatment.

Answer to Question No. 2:

2. A baby born this year can expect to live to be 67 and his expectancy will continue to rise as he grows older. Thus a man

of 40 today may expect to live 30 years more and a man of 65 may expect to reach 77. A child born in 1900 could expect to live only 49 years. Americans today can look forward to increasing their life span because of improved medical care.

Answer to Question No. 3:

3. Right or left, it makes no difference in reading, despite the old saying. Right-handed persons can avoid annoying shadows in writing, however, by having the light come from the left.

Beta Theta Phi Holds Meet in Griggs Home

A meeting of the Beta Theta Phi Chapter of the Beta Sigma Phi was held last Thursday in the home of Mrs. C. Weldon Griggs.

Mrs. J. N. Burditt gave the program on "Formal Table Setting."

New pledges who met with the group were: Mmes. M. L. Smith, Elmer Feagan Jr., Robert Gardner and Mrs. Ballard.

Refreshments were served to the following members: Mmes. L. Cure, George Poe, Austin Poe, C. M. Gudger, O. R. Riddle, W. T. Johnson, B. G. Nunley, Charles Gardner, Weldon Carlton, Kenneth Parker, E. J. Hawkins, Cliff Reynolds Jr., director; C. Weldon Griggs, sponsor; J. N. Burditt, E. D. Perrin, Stanley Carmichael, O. T. Kelly, Jerry Waggoner.

Next meeting will be Thursday, October 26 at 4:00 p. m. at the Hawkin's Drive-Inn.

Garden Club Meets In Patterson Home Here

Hamlin Garden Club met last Friday at 3:00 p. m. in the home of Mrs. LaFoy Patterson.

Mrs. F. B. Moore led the prayer and Mrs. Carl Young was leader.

Two interesting lessons in gardening were given. Mrs. F. B. Moore gave "Growing and Handling of Bulbs." Mrs. M. T. Hudson discussed "Shrubs for Year Around Color."

"Fall Flower Arrangements" were given by Mrs. P. D. Harkins and Mrs. P. A. Fowler.

Those present were: Mmes. Ed Bailey, Harold Bonner, H. O. Cassle, Roy Carmichael, P. A. Fowler, A. A. Hackley, P. D. Harkins, M. T. Hudson, F. B. Moore, LaFoy Patterson, W. J. Poe, M. T. York and Carl Young.

Mrs. Etta Stephenson enjoyed as a Wednesday guest, Mrs. Forest Boyd of Sweetwater.

Fido, a dog's name is taken from the Latin fidus meaning faithful.

Louisiana produces most of America's sugar cane.

SAUSAGE STUFFED CABBAGE—ECONOMICAL MAIN DISH

With prices headed in one direction—up, mealplanners will do well to try this low-cost main dish. Its principal ingredients—enriched yeast-raised bread, sausage and cabbage—are all inexpensive. And put together, they make a handsome, delicious treat that belies its economy.

SAUSAGE STUFFED CABBAGE

6 cups enriched yeast-raised bread cubes
1 pound (2 cups) sausage
2 eggs, beaten
1 large head cabbage
Salt
Pepper
Parsley
1/2 cup buttered dry bread crumbs
1 can condensed mushroom soup

Arrange bread cubes on baking sheet. Place in slow oven (325° F.) and toast, turning occasionally, until bread cubes are golden brown on all sides. Remove from oven and set aside. Brown sausage thoroughly in a frying pan. Remove pan from heat. Drain fat from pan. Cool and stir in toasted bread cubes and beaten eggs. Slice the top from head of cabbage. Scoop out center leaving a firm shell. Sprinkle with salt and pepper. Stuff sausage mixture into cabbage, replace cabbage

top and secure with toothpicks. Tie cabbage in a cheesecloth. Cover bottom of a large kettle about one and one-half inches deep with water and bring to a boil. Place cabbage on a rack in the boiler; cover kettle and let steam until cabbage is tender, about 40 to 60 minutes, depending on size of the cabbage. Remove the cabbage and take off cheesecloth. Remove toothpicks and garnish cabbage with parsley and a sprinkling of buttered crumbs. To serve, cut into wedges and spoon Mushroom Sauce over each wedge. To make sauce, use condensed mushroom soup thinned with milk, seasoned to taste, and heated thoroughly. Serves 6 to 8 generously.

Note: Plan to have Coleslaw the following day to use the center white cabbage. Store the cabbage in a covered dish, refrigerator bag or wrapped in aluminum foil in the refrigerator until used.

Lavoisier is called the "founder of modern Chemistry." Angels are not biologically possible.

OF INTEREST TO WOMEN

Short Evening Dress in Style

Accompanying Jackets and Overskirts Permit Costume Switches

This short evening gown is a strapless satin sheath with a separate overskirt of lace. The sheath is cut in lace and the overskirt is in heavy cocoa-brown satin.

NEW YORK—The short evening dress, a favorite this season and for some seasons past, stays in fashion because it is so well-suited to American living.

There are many evenings when the average woman does not want to "dress" in the sense of putting on a full-skirted evening gown and a formal wrap. The short evening dress is, then, the perfect answer to the small evening and to some large evenings, too.

The short evening gown, is, very often, a sheath with an accompanying jacket or overskirt which permits costume switches. In one such design, a strapless short evening dress becomes a dinner dress with the addition of a long-sleeved lace jacket. The dress, in carbon blue imported Chantilly lace over satin, has a slim-bipped skirt which flares away at the knee.

In another instance, one of this season's short evening dresses has a separate overskirt made of yards of imported lace. The dress itself is heavy cocoa-brown satin, a strapless sheath with a slim-bipped skirt.

A strapless short evening dress becomes a dinner dress with the addition of a long-sleeved lace jacket. The gown is in carbon blue imported Chantilly lace over satin.

Want a long run for your money?

Better Buy Buick!

YOU want a new car to be tops in things like style and room and comfort and power—

—and a thrill-packed fifteen minutes with the nimble number pictured here will show you it has all these things in abundant measure.

So you ask us—how about money? What does it cost to buy a Buick—and to own one?

All right—let us ask you some questions.

Take first cost. Do you know that Buick prices start down at a level

below what you'd pay for some sixes—and that every Buick, on a cents-per-pound basis, is a stand-out buy?

Take operating cost. Do you know that the bang you'll get from Buick's Fireball power comes from a valve-in-head engine—recognized by engineers as a thrifty saver of fuel?

Do you know that owners of 1950 Buicks are writing us rave letters, saying that this year's version is the most economical Buick ever built?

Do you know that such comfort features as coil springs on all four wheels protect the car as well as the passengers—and throw in an

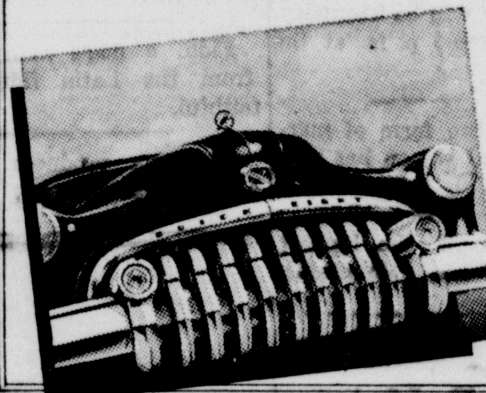

extra saving because they need no servicing, and are practically breakproof to boot?

Do you know that Dynaflo*—in addition to keeping you fresh as a daisy on a day-long drive—caps its convenience with savings on tires, cuts down the strain on transmissions and engines—and eliminates all friction clutch repairs, because it hasn't any?

Take final cost. Do you know that when the owner of a Buick gets a yen for a later model, the prices that Buicks command on a used-car lot are the ultimate proof of their long-run value?

So if you want a real run for your money, better buy Buick. And the first step is very simple: Go see your Buick dealer—soon—and get an order signed.

* Dynaflo Drive is standard on Roadmaster, optional at extra cost on Super and Special models.

FOUR-WAY FOREFRONT—This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable, (3) avoids "locking horns," (4) makes parking and garaging easier.

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

In E. M. Herring Home

Members of the Dorcas Sunday School Class of the First Baptist Church met Wednesday afternoon at 3:30 in the home of Mrs. E. M. Herring, 332 Avenue C.

Meeting was opened with a prayer by Mrs. D. M. Harris and the class song, "Stand Up, Stand Up For Jesus", was sung by the group.

Devotional was given by Mrs. L. C. Denton. Mrs. W. B. Boyd read a story by one of the members of the pioneer days. Mrs. R. L. Milstead described those days compared to the present days.

Mrs. J. G. Smith sang "He Is Able to Save".

Bible questions were asked by Mrs. Lala Harbert.

Refreshment plate was served consisting of fruit salad, cookies, and punch.

Those present were: Mmes. W. B. Boyd, L. R. Milstead, Stella Beavers, J. G. Smith, L. C. Denton, Mathews, J. W. McGough, Etta Stephenson, N. E. Money, Lala Harbert and Mrs. E. M. Herring.

Next meeting of the class will be with Mrs. Etta Stephenson.

Emeralds are the softest of all precious stones.

George Sand said, "When tempted, yield at once, and save yourself the struggle."

Women first achieved suffrage in the state of Wyoming.

Slight Increase Shown
In Santa Fe Loadings

Santa Fe carloadings for the week ending October 14, 1950 were 26,317 compared with 26,227 for same week in 1949. Cars received from connections totaled 14,074 compared with 11,791 for same week in 1949. Total cars moved were 40,391 compared with 38,018 for same week in 1949.

Santa Fe handled a total of 39,926 cars in preceding week of this year.

Mrs. M. P. May of Hamlin was a medical patient in a Rotan hospital last week.

Lions View Film On Pipeline Building

J. D. Pigman and L. L. Ermis of the Shell Pipe Line company were guests of the Hamlin Lions Club at their Tuesday meeting as a recognition of Oil Progress week, which is being observed all over the nation this week.

Pigman is chief engineer of the Hamlin station for that company and Ermis is from the personnel department of the district office at Colorado City.

Ermis outlined the contributions of oil companies to the life of the communities in which their employees live before exhibiting a sound and color film of the construction work which went into the building of their "big-inch" pipe line from Cushing, Oklahoma through Wood River, Illinois. This was the northern end of the line which passed through Hamlin after its start at Jal, New Mexico. The film was declared to have been one of the most interesting of all documentary editions viewed by the club. It detailed many of the problems encountered in laying 6,000 miles of pipeline for the transportation of oil to the northern refineries.

Jere Lynn Irwin substituted for Mrs. Joe McCrory as accompanist for the club.

Announcement was made by President J. H. King that parts would be assigned immediately for the minstrel which is to be staged by the club in November.

Originally there were four months between presidential elections and the inauguration to allow for slow methods of communication and transportation.

McCaulley News

By VIVIAN SHORT

Mrs. Jimmie Dee Jackson and son, Mark, returned last Wednesday from Fort Worth where they have been visiting with the John Sewells.

Ina Pearl Wishert was a week-end visitor with her parents, the Noah Wisherts. She is employed by the Kermit Bank.

Mrs. E. A. Woods of Hamlin was a house guest of Mrs. F. L. Rector last week.

Stanley Jackson has received his call back into service. He is to report to Connelly Field Air Base November 5.

James W. Lawlis of Lubbock was a week-end visitor with his parents, the E. A. Lawlis' and family.

Mr. and Mrs. Frank Jackson were week end visitors with their daughter, Mrs. Reynolds, of Big Spring.

Miss Ila Elvens is working for the Spencer Lumber Company in the absence of Frank Jackson.

Mrs. Kate Raney of Midland is visiting her parents, the Sherman Houghtons, this week.

L. C. Houghton and family of Abilene were week-end visitors in the home of the Sherman Houghtons.

Sgt. Leo Masser of Camp Hood is home on furlough. He has been transferred to Camp Fort Sam Houston in San Antonio.

New subscribers to The Herald are: H. Wilkins, E. A. Lawlis, Mrs. Martin Decker, Mrs. W. H. Wishert and Mrs. Vera Jayroe. Thanks!

Miss Mary Ann McCollum attended the big football game in Dallas between Texas University and Oklahoma University last Saturday. She is a student at Texas University.

Bonnie Beth Jones and Johnnie Max Jones and wife of Abilene were Sunday visitors in the home of their parents, the Cloyce Jones.

Cecil Elvens and family were week-end visitors in the home of Mrs. A. M. Elvens and Ila. He works in the bank at Levelland.

McCaulley Baptist Church voted to go full time last Sunday. Rev. L. R. Stuckey is the pastor.

A Thought to Remember—You are only here a short while, don't hurry, don't worry and don't forget to smell the flowers!

So long, I'll be newsing you!

The reason they call money "jack" is because it lifts such a load off a person.

EDIBLE MASCOT—Where Cpl. Andrew Slayser goes, so goes his pet rabbit "Doretta." Ration-tired G.I.'s have offered Slayser a pretty price for his pet but the 25th Division jeep driver from Slayerville, Ky., says Doretta will stay by his side.

IS 5 MINUTES OF YOUR TIME WORTH \$1000?

5 MINUTES BEHIND THE WHEEL SOLD ME ON DODGE...AND SAVED ME \$1000!

—says Earl B. Mix
New Rochelle, New York

PEOPLE every day are finding out for themselves... you can make 5 minutes of your time worth \$1,000—by spending it at your Dodge dealer's. He'll demonstrate how you could pay \$1,000 more and not get all the extra roominess, the driving ease, the rugged dependability of this smartly styled Dodge!

Owners coast to coast testify:

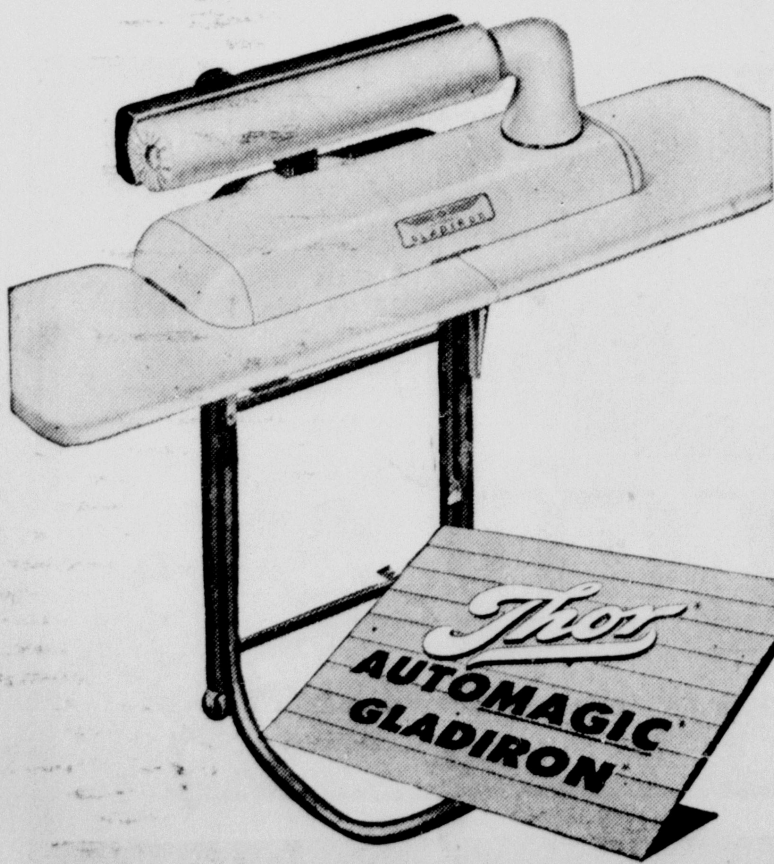

YOU COULD PAY \$1000 MORE AND NOT GET ALL THE EXTRA ROOMINESS, FAMOUS RUGGED DEPENDABILITY OF DODGE

NEW BIGGER VALUE DODGE

Ticklers

By George

"I had a little cloth left over after sewing my drapes!"

Several from Area On Roby Grand Jury

Five area men were on the grand jury for 104th District Court at Roby and docket was set Tuesday morning.

Cases to be tried include burglary and theft for investigation by the members.

Those from Hamlin area include:

H. B. Thompson of Sylvester, Raleigh Reynolds, Route 2, Hamlin, B. F. Short of McCaulley, L. E. Rector of McCaulley and R. O. Robertson of Route 1, Hamlin.

Parliamentary training course for leaders of the Scout troop was given attendants.

COTTON QUIZ

HOW MUCH HAVE WAGES IN THE COTTON TEXTILE INDUSTRY INCREASED DURING THE 20th CENTURY?

ANS—IN 1900 THE AVERAGE WAGE PER HOUR WAS 8.5 CENTS... IN 1930 IT IS \$1.12 PER HOUR!

Freddie Wheeler of Hamlin was a medical patient in a Rotan hospital last week.

"Great-souled," is the literal translation of Mahatma.

C. H. Clark of McCaulley was a medical patient in a Rotan hospital last week.

POTATOES

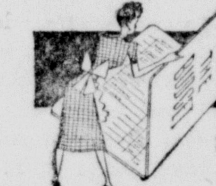

...and lots of 'em!

Only the best lots of washed "A" size, U. S. No. 1 grade potatoes are selected at the producing fields by Safeway buyers. Rushed to our warehouse in refrigerated trucks or cars, they are hand-graded to secure our Premium grade. The remainder are packed in 10-lb. paper "Vent-Vu" bags and sold at lower prices as our Economy grade. Our Premium grade potatoes are well-shaped, free from natural or mechanical blemishes. The Economy grade consists mostly of potatoes that do not meet these specifications. You can always be sure of good potatoes at Safeway.
